

Taller de Locators ESPN

1. Página de inicio

Ícono de perfil - a#global-user-trigger

The screenshot shows the ESPN homepage with various sports scores at the top. On the left, there's a sidebar with links like 'SUBSCRIBE NOW', 'UFC 201: Adesanya vs. Pereira (ESPN+ PPV)', 'PGA TOUR LIVE', 'NHL: Select Games', 'Men's College Hoops: Select Games', 'Women's College Hoops: Select Games', 'Fantasy Football: Week 10 Field Pass', and 'Quick Links' for College Football Playoff, NFL Daily Lines, Men's Hoops Preview, Women's Hoops Preview, World Cup Preview, Fantasy Men's Basketball, Fantasy Hockey, How To Watch NHL Games, and Games For Me.

The main content area features a large image of a basketball with a 'W' logo, a headline about the D.C. AG filing a suit against Snyder, Goodell, and the NFL, and a section for 'BASEBALL STORYLINES TO WATCH' with an image of a baseball player. A modal at the bottom is advertising the Denver Broncos vs Jacksonville Jaguars game.

The developer tools are open on the right side of the browser, specifically the Elements tab. The 'a#global-user-trigger' selector is highlighted in the CSS panel. The element is located in the header area, specifically within the 'header#header' element under the 'global-viewport' class. The element has a bounding box of approximately [108, 618, 128, 638]. The element's style is defined by the following CSS:

```
position: absolute;
margin: -10px 0 0 -10px;
border: 1px solid #ccc;
padding: 4px 10px 0 10px;
background-color: #fff;
```

The browser's status bar at the bottom indicates '1 of 1' and 'Cancel'.

2. Ventana modal - li.user > div.global-user:last-child

The screenshot shows the ESPN website interface with a modal window open. The modal is titled "Welcome!" and contains sections for "Manage my:" (Subscriptions, Edition: US, TV Provider, Video Settings), "FAVORITES" (with a message: "No teams in your favorites yet. Add some for quick access!"), and a "Log In" button. A red box highlights this modal window. The background shows a news article about the D.C. AG filing a suit against NFL officials. Below the modal, there are sections for "BASEBALL STORYLINES TO WATCH" (featuring a Yankees player) and "Best of ESPN+" (featuring a basketball player). At the bottom, there's a banner for the Denver Broncos vs Jacksonville Jaguars game. The browser's developer tools are visible on the right side, showing the DOM structure and styles applied to the modal.

3. Enlace inicio de sesión - `div.global-user:last-child ul.account-management > li:last-child > a`

The screenshot shows the ESPN homepage with various sports scores at the top. On the right side, there is a 'Welcome' section with a 'Log In' button highlighted by a red box. The developer tools are open, showing the DOM structure. The path to the 'Log In' button is indicated by the selector: `div.global-user:last-child ul.account-management > li:last-child > a`. The element is identified as `a#global-user-trigger`.

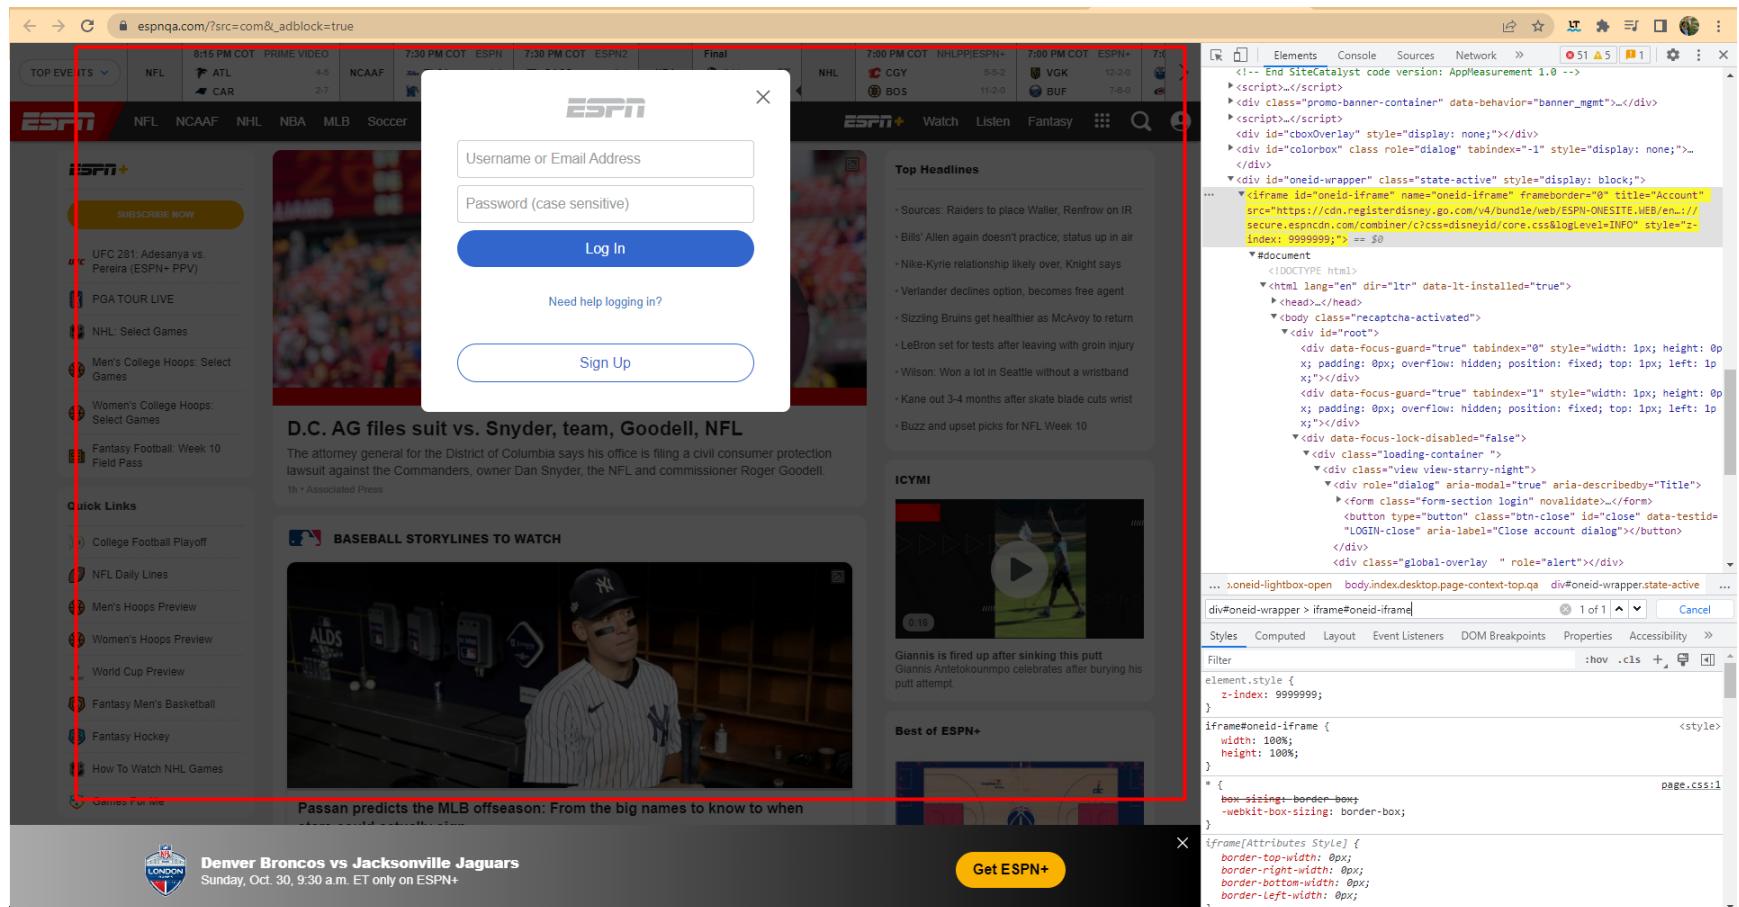

```

<header id="global-header" class="espn-en user-account-management has-search">
  <div class="menu-overlay-secondary"></div>
  <div class="container">
    <a href="#" id="global-user-trigger" data-route="false">...</a>

          </li>
        </ul>
      </div>
    </div>
  </div>
</header>

```

4. Página de inicio de sesión

Iframe - **div#oneid-wrapper > iframe#oneid-iframe**

5. Input para el ingreso de usuario o correo electrónico - input#InputLoginValue

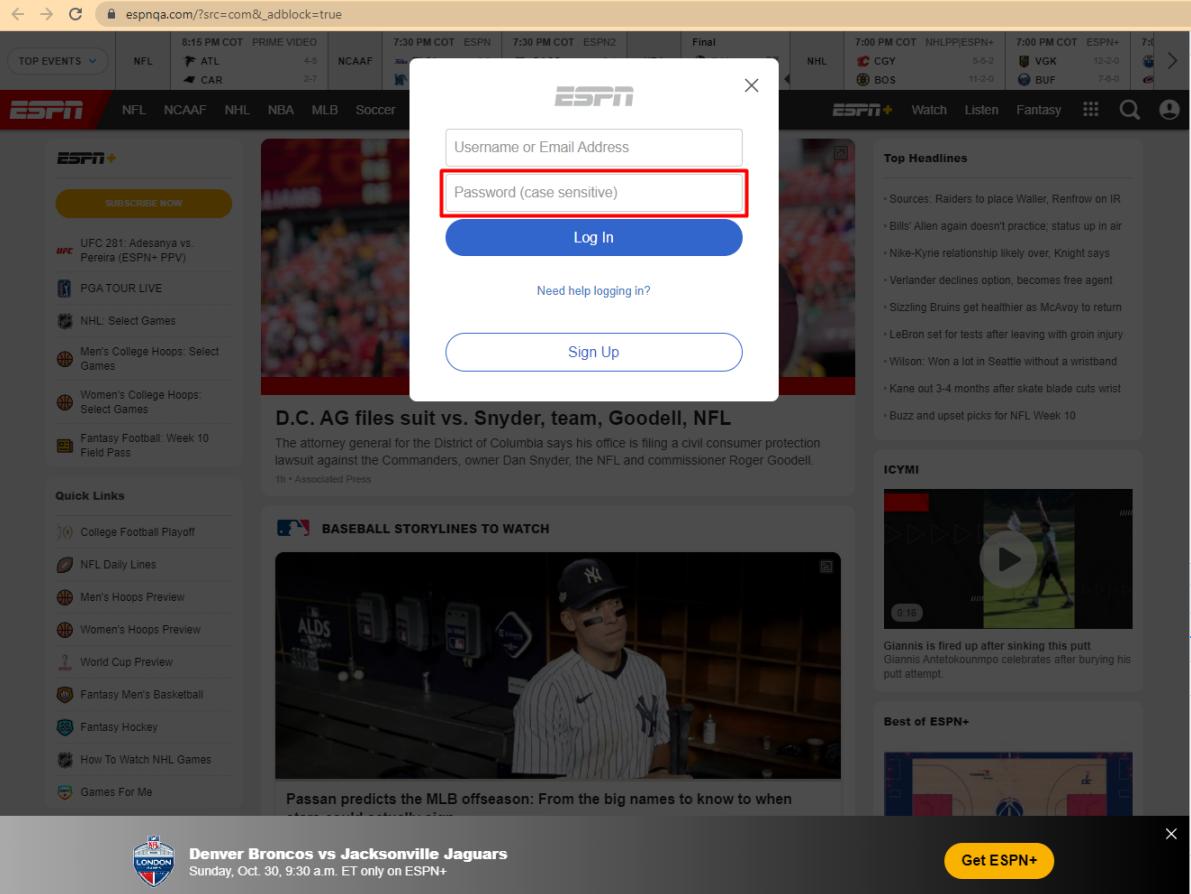

The screenshot shows the ESPN login page (espnqa.com/?src=com&_adblock=true) with the developer tools' Elements tab open. The login form is highlighted with a red border. The HTML code for the login form is visible in the right panel:

```
<form class="form-section login" novalidate>
  <header class="header login"></header>
  <div class="error-container"></div>
  <h2 class="title" id="Title" data-testid="Title" tabindex="0"></h2>
  <label data-testid="InputLoginValue-wrapper" class="input-text">
    <input type="text" id="InputLoginValue" for="InputLoginValue">
    <span data-testid="InputLoginValue-title" class="field-name">Username or Email Address</span>
  </label>
  <div data-testid="InputLoginValue-container" class="input-wrapper">
    <input class="input-InputLoginValue" type="email" autocomplete="email" autocorrect="off" spellcheck="false" tabindex="0" id="InputLoginValue" data-testid="InputLoginValue" placeholder="Username or Email Address" aria-invalid="false" aria-label="Username or Email Address" aria-required="true" required value="">
  </div>
  <div class="error-container input-error input-error-email" style="height: 0px;"></div>
  <label data-testid="InputPassword-wrapper" class="input-text">
    <input type="text" id="InputPassword" for="InputPassword">
    <span data-testid="InputPassword-title" class="field-name">Password (case sensitive)</span>
  </label>
  <div data-testid="InputPassword-container" class="input-wrapper">
    <input class="input-InputPassword" type="password" autocomplete="current-password" autocorrect="off" spellcheck="false" tabindex="0" id="InputPassword" data-testid="InputPassword" placeholder="Password (case sensitive)" aria-invalid="false" aria-label="Password (case sensitive)" aria-required="true" required value="">
  </div>

```

The browser's address bar shows the URL http://espnqa.com/?src=com&_adblock=true. The page content includes a sidebar with quick links like College Football Playoff, NFL Daily Lines, and Fantasy Football. The main content area features a headline about a suit filed against the NFL, a video player for a baseball storyline, and a section for the best of ESPN+.

6. Input para el ingreso de contraseña - `input#InputPassword`

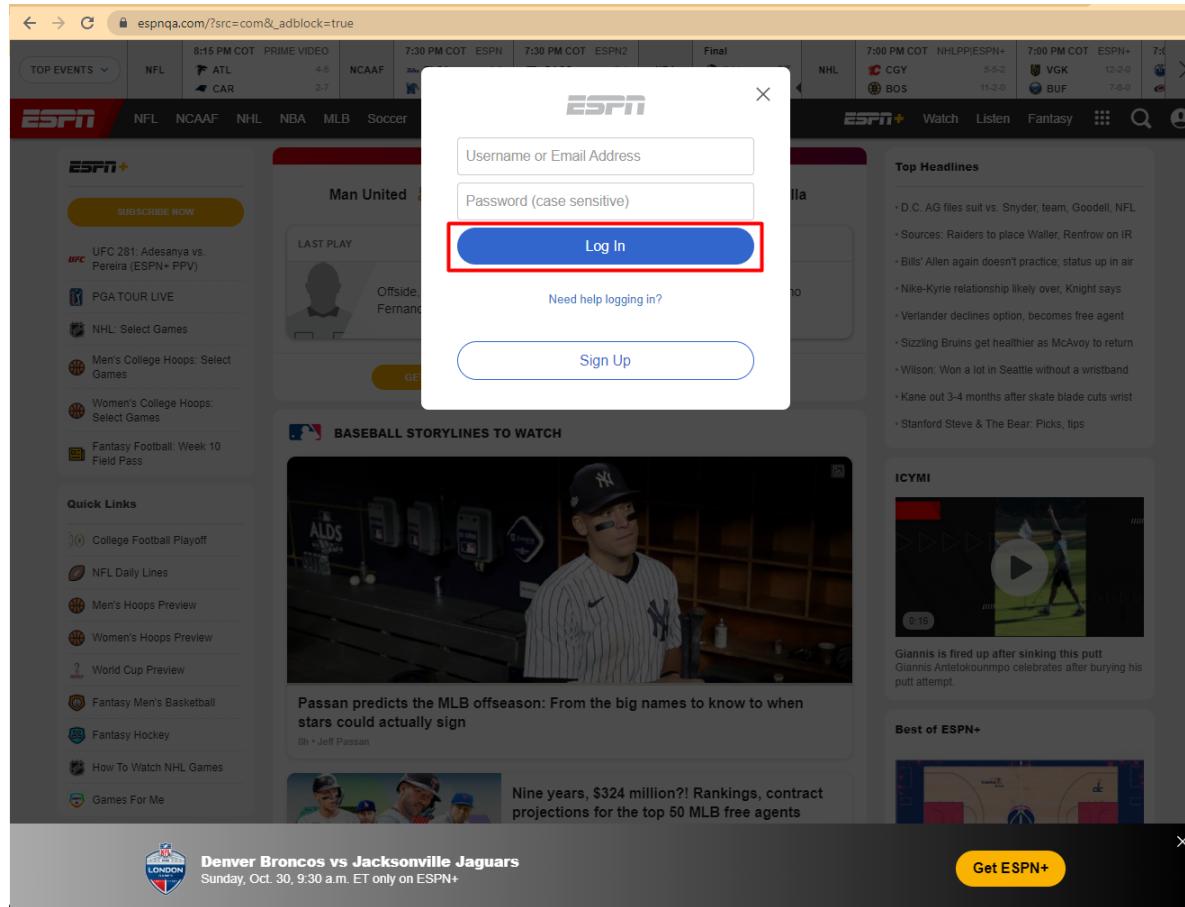

The screenshot shows the ESPN login interface. A modal window is open, displaying fields for 'Username or Email Address' and 'Password (case sensitive)'. The 'Password (case sensitive)' field is highlighted with a red border. Below the fields are 'Log In', 'Need help logging in?', and 'Sign Up' buttons. The background shows the ESPN homepage with various sports news and features.

The browser's developer tools are open, specifically the 'Elements' tab, showing the HTML structure of the password input field. The element is identified by the ID `#InputPassword`. The code snippet includes attributes like `type="password"`, `autocorrect="off"`, and `spellcheck="false"`.

```
<input data-testid="InputPassword" type="password" autocorrect="off" spellcheck="false" id="InputPassword" data-testid="InputPassword" placeholder="Password (case sensitive)" aria-label="Password (case sensitive)" aria-invalid="false" aria-required="true" required value=""/>
```

7. Botón de inicio de sesión - button#BtnSubmit

The screenshot shows the ESPN+ login interface. A modal window is centered over the page, featuring the ESPN logo at the top. It contains two input fields: 'Username or Email Address' and 'Password (case sensitive)'. Below these is a large blue 'Log In' button, which is highlighted with a red rectangular border. To the right of the button is a link 'Need help logging in?'. At the bottom of the modal is a blue 'Sign Up' button. The background of the page shows various news articles and a video player.

The browser's developer tools are open, specifically the Elements tab, showing the HTML structure of the login modal. The 'Log In' button is identified by the ID 'BtnSubmit'.

```
<button type="submit" class="Btn btn-submit" id="BtnSubmit" data-testid="BtnSubmit">Log In</button>
```

The developer tools also show the CSS styles applied to the button:

```
body { font: 16px -apple-system,BlinkMacSystemFont,"Roboto","Arial","Helvetica Neue","Helvetica",sans-serif; font-weight: 400; -webkit-font-smoothing: antialiased; margin: 0; padding: 0; scroll-behavior: smooth; -ms-overflow-style: scrollbar; background-color: #f0f0f0; color: #444; }
```

A status bar at the bottom of the developer tools indicates '1 of 1' and 'Cancel'.

8. Enlace cierre de sesión - `div.global-user:last-child ul.account-management > li:last-child > a`

The screenshot shows the ESPN.com homepage with a focus on the user account management interface. The top navigation bar includes links for Top Events, NFL, NBA, NHL, NCAAF, and Soccer. The main content area features a "2022-23 English Carabao Cup" match between Man United and Aston Villa, with a "GET ESPN+" button. Below this is a section titled "BASEBALL STORYLINES TO WATCH" featuring a photo of a New York Yankees player in the dugout. A red box highlights the "Log Out" link in the user menu. To the right, a sidebar titled "FAVORITES" shows a message: "No teams in your favorites yet. Add some for quick access!" with a "+ADD FAVORITES" button. The sidebar also includes links for Manage my: ESPN+ Subscriptions, Edition: US, ESPN Profile, Newsletters, TV Provider, Video Settings, and Log Out. The bottom of the page features a "Best of ESPN+" section with a video thumbnail of Giannis Antetokounmpo celebrating a putt. The URL in the browser address bar is https://www.espnqa.com/?src=com&adblock=true#.

9. Enlace al perfil de usuario - **div.global-user:last-child ul.account-management > li:nth-child(5) > a**

The screenshot shows the ESPN website interface with various sections and a developer tools overlay.

Developer Tools:

The developer tools (F12) are open, showing the DOM structure for the ESPN profile section. The element `ESPN Profile` is highlighted with a red box. The status bar indicates "1 of 1".

10. Página de perfil de usuario

Iframe - div#oneid-wrapper iframe#oneid-iframe

The screenshot shows the ESPN website's account update page. A red box highlights the main content area, which contains an 'Update Your Account' form and a 'Personal Information' section. Another red box highlights the 'oneid-iframe' element, which is a modal dialog box containing the account update form. The browser's developer tools are open, showing the DOM structure. The 'Elements' tab is selected, and the 'oneid-iframe' element is highlighted with a yellow box. The 'Styles' tab shows the CSS rules for the 'oneid-iframe' element.

```
element.style { z-index: 999999; }
iframe#oneid-iframe { width: 100%; height: 100%; }
* { box-sizing: border-box; -webkit-box-sizing: border-box; }
```

11. Enlace eliminación de cuenta - a#AccountDeleteLink

The screenshot shows the ESPN+ account deletion process. A modal window titled "Personal Information" is open, prompting for a password (case sensitive). The password field contains "*****". Below it, there are fields for First Name ("Maria") and Last Name ("Copete"). Under "Gender (Optional)", "Male" is selected. In the "Country/Region of Residence" dropdown, "Colombia" is chosen. At the bottom of the modal are two buttons: "Done" and "Delete Account", with "Delete Account" highlighted and surrounded by a red box.

In the background, the ESPN+ homepage is visible, featuring a "Top Headlines" section with news items like "D.C. AG files suit vs. Snyder, team, Goodell, NFL" and "Injury-plagued Raiders put Waller, Renfrow on IR". There's also an "ICYMI" section with a video thumbnail of Lamar Jackson.

On the right side of the screen, the browser's developer tools are open, specifically the "Elements" tab. It shows the HTML structure of the page, with the "Delete Account" button highlighted. The element ID "a#AccountDeleteLink" is clearly visible in the DOM tree under the "Top Headlines" section.

12. Botón eliminación de cuenta - button#BtnSubmit

The screenshot shows a modal dialog box centered on the ESPN website. The dialog has a white background with the ESPN logo at the top. It contains the text: "Are you sure? By deleting your account, you will no longer be able to log in to any of the websites, mobile apps, or other online services of the Walt Disney Family of Businesses (including Disney, ABC, Star Wars, ESPN, Marvel and National Geographic) that use a Disney Account, and you will not be able to use your account to access any associated purchases, credits, points, rewards, plans, content or other benefits you may have. Deleting your account may not cancel all paid subscriptions you have with The Walt Disney Company – please be sure to cancel any paid subscriptions you no longer wish to continue by contacting Disney Guest Services". At the bottom of the dialog are two buttons: "Yes, delete this account" (highlighted with a red box) and "No, I'll keep it".

The background of the website shows various news articles and sports scores. On the right side, the browser's developer tools are open, specifically the Elements tab, showing the HTML structure of the page. A yellow box highlights the button element with the ID "BtnSubmit" in the code.

```
<body>
  <div id="root">
